Programming instructions for KF108

Mazda Tribute / Ford Escape

NOTE: All existing remotes must be present when performing the following procedure.

1. *Close all doors*
2. *Turn ignition from OFF to ON 8 times within 10 seconds, with the 8th time ending in ON. The door locks will lock and unlock to confirm that you have entered programming mode.*

NOTE: If the door locks do not cycle try turning the key from ACCESSORIES to ON 8 times.

If they still do not cycle, your vehicle may not have keyless entry.

3. *Within 8 seconds press any button on the first keyless remote to be programmed. Door locks will cycle to confirm programming. If you only have one remote then skip to step 5.*
4. *Within 8 seconds, press any button on the second keyless remote. Door locks will cycle again to confirm programming. Repeat step 4. For all other remotes.*
5. *Turn ignition to OFF. Locks will again cycle to indicate end of programming mode.*
6. *The programming is now completed.*
